Poznan University of Technology (PUT), established in 1919, is currently one of the leading technical universities in Poland which has become one of the most recognized landmarks of the region.

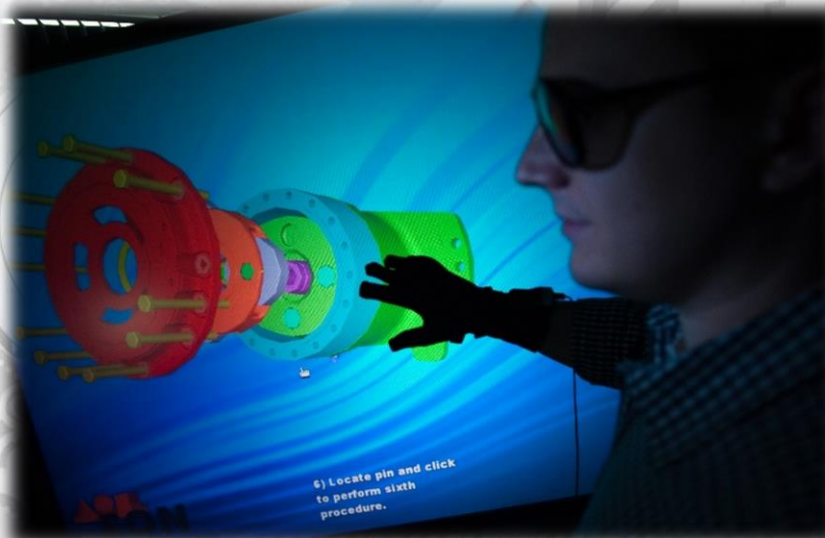

## PUT in figures

- 30 fields of study
- 10 faculties
- 21 thousand students
- 50 post-graduate courses
- 18 fields of PhD promotion

- More than 150 labs very well equipped with high quality staff
- 2.300 employees
- 1 250 academic staff
- 2,200 beds in dormitories

## PUT FACULTIES

Faculty of Architecture

Faculty of Civil and Environmental Engineering

Faculty of Mechanical Engineering and Management

Faculty of Electrical Engineering

Faculty of Electronics and Telecommunications

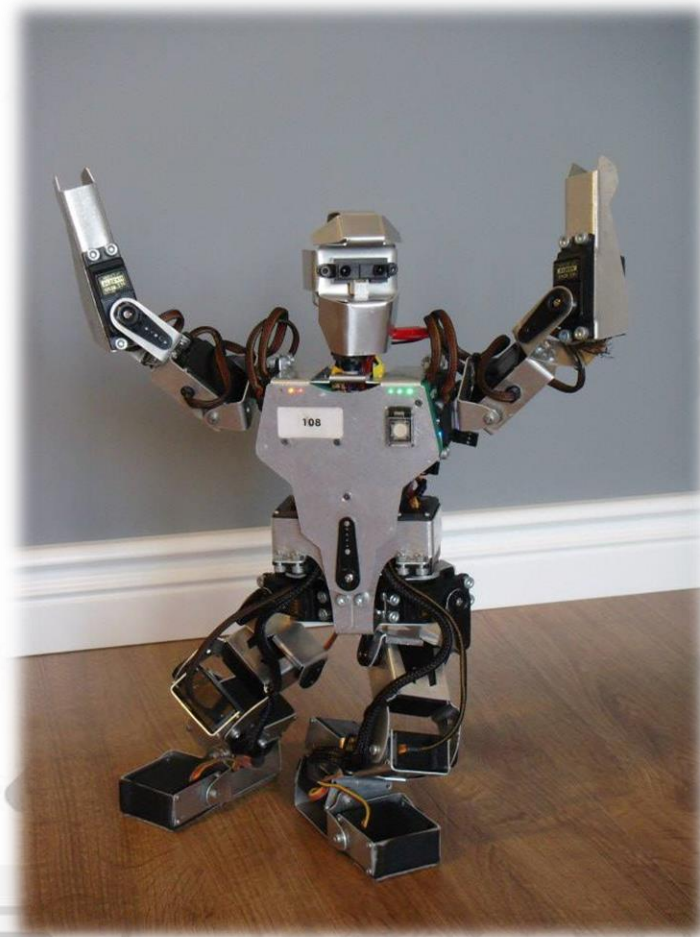

Faculty of Technical Physics

Faculty of Computing

Faculty of Engineering Management

Faculty of Machines and Transport

Faculty of Chemical Technology

## Courses in English

### Bachelor's programmes

1. **Architecture**
2. **Control Engineering and Robotics**, specialization: Robotics
3. **Electronics and Telecommunications**, specialization: Information and Communication Technologies
4. **Engineering Management**, specialization: Engineering with Commerce

### Master of Science in Engineering

1. **Architecture**
2. **Automation and Robotics**, specialization: Smart Aerospace and Autonomous Systems  
*(Double degree with University of Evry – France)*
3. **Chemical Technology**, specialization: Composites and Nanomaterials
4. **Civil Engineering**, specialization: Structural Engineering
5. **Civil Engineering**, specialization: Construction Technology Management
6. **Electronics and Telecommunications**, specialization: Information and Communication Technologies
7. **Engineering Management**, specialization: Corporate Management  
*(Double degree with University of Lille 1 - France)*
8. **Mechanical Engineering**, specialization: Gas Technology and Renewable Energy
9. **Mechanical Engineering**, specialization: Product Engineering
10. **Computing**, specialization: Software Engineering
11. **Mechatronics**, specialization: Mechatronic Constructions

# Erasmus+ programme

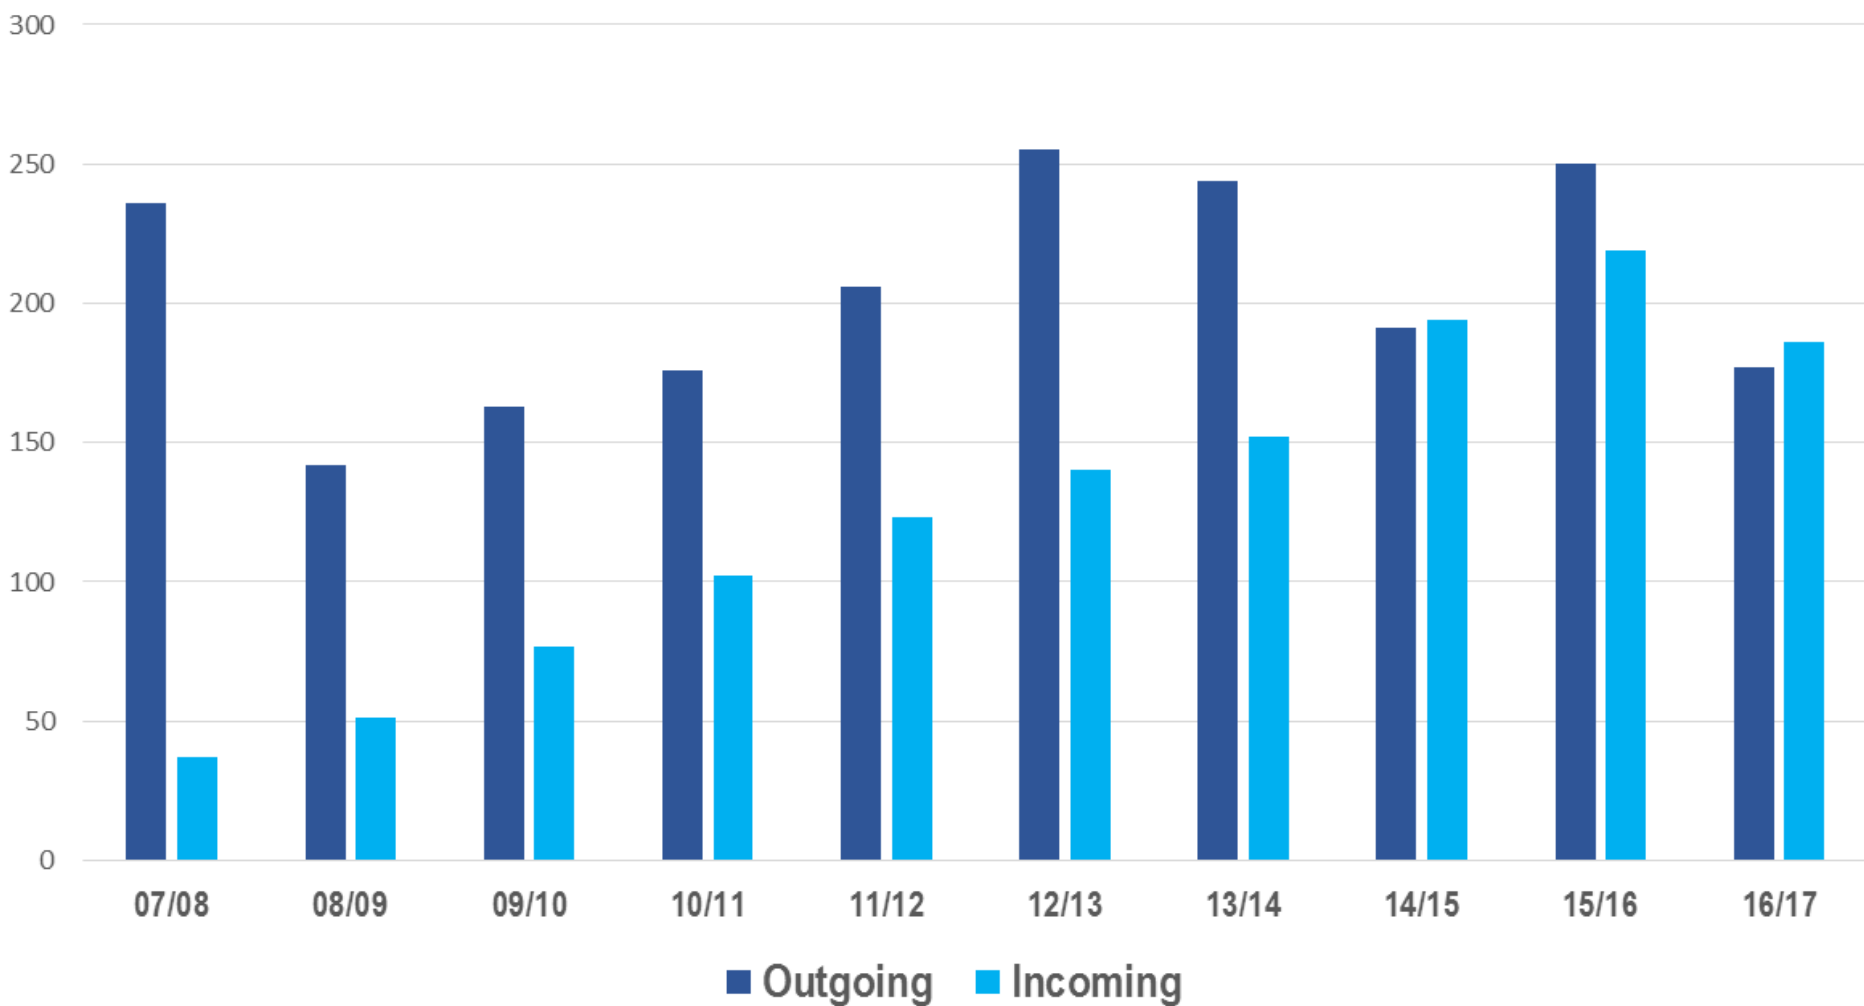

**247 bilateral agreements  
with European universities  
under the Erasmus+  
programme**

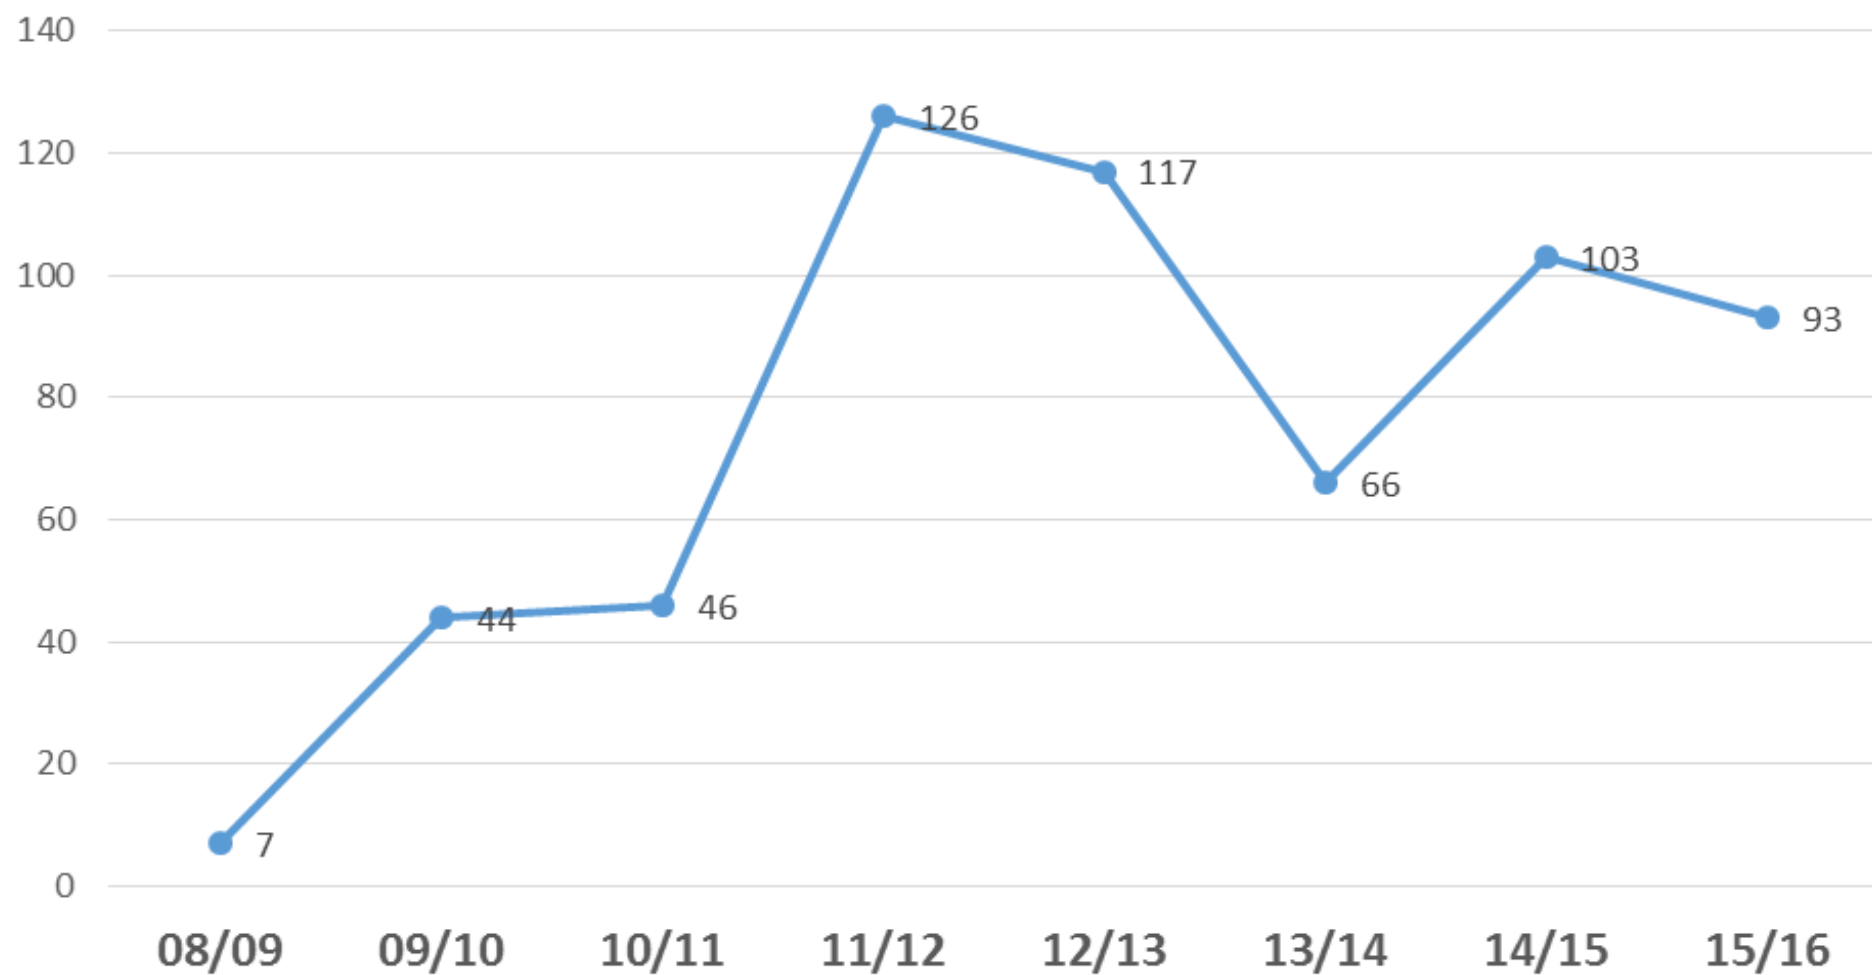

## Outgoing and incoming Erasmus students

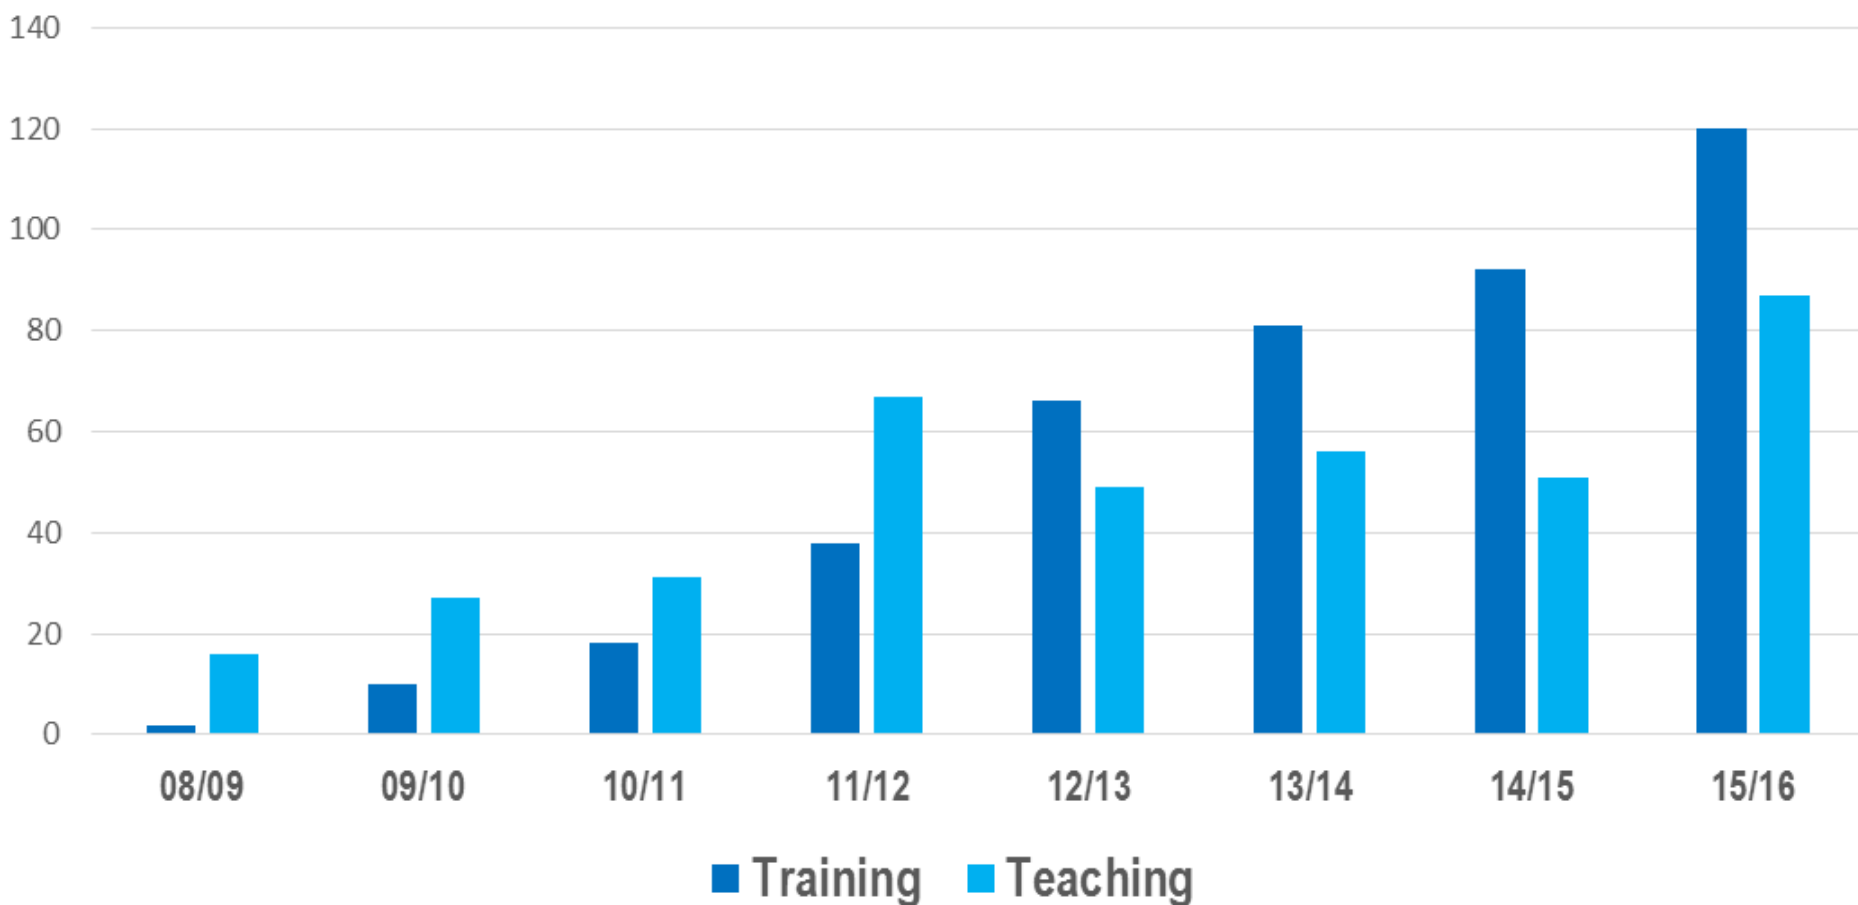

## Erasmus traineeships

## Staff Mobility for training and teaching

## Erasmus + KA 107 ICM with partner countries

**Project 2016, Staff exchange with Ukrainian universities:**

- **Ivano-Frankivsk National Technical University of Oil and Gas**
- **National Technical University Kharkiv Polytechnical Institute**
- **Lviv Polytechnic National University**

## Tips for international offices – outgoing participants

- ✓ **Information provided from the University for participants**  
It helps in the organisation of the mobility (webpage, email, posters, leaflets, Erasmus+ meetings, information on the student's radio, step by step instructions)
- ✓ **Information given from the participants to the University**  
(it may help the participants in the difficult situations beforehand)
- ✓ **Transparency of the recruitment of the participants**
- ✓ **Crucial role of the reports**

Table with columns A-K and rows for dates from 2017-05-14 to 2017-06-12. Includes instructions for signing contracts and a schedule of events.

## Tips for international offices – incoming participants

- ✓ **Courses in English for incoming students**
- ✓ **Events for the international community**
- ✓ **Help of the students - Erasmus Student Network buddy programme (social events, trips, Christmas meetings)**
- ✓ **Collaboration with a local community, city council**
- ✓ **Presence in the social media, FB fanpage, online competitions**

LLL & International Education Office and University Culture Center  
invite to

# PUT around the world Intercultural Café

Would you like to meet PUT students  
from all over the world  
and learn about other cultures?

Come along PUT Intercultural Café,  
spend great time and expand your horizons!

More information:

<https://www.facebook.com/putpoland>

## Tips for international offices – other observations

- ✓ Taking part in the Erasmus+ events, exchanging ideas
- ✓ The process of internationalization is a common interest of the University, not only of the international office. It requires the effort of the whole academic community

### Challenges

- ✓ All the information provided both in English and Polish language (foreign participants)
- ✓ Individual approach to students/staff vs growing numbers of mobilities
