

Erasmus+ is the European Union Programme that aims to support, through lifelong learning, the educational, professional and personal development of people in **education, training, youth and sport**, in Europe and beyond, to contribute to sustainable growth, quality jobs and social cohesion, to drive innovation and to strengthen European identity and active citizenship. It provides opportunities for learning mobility, projects and partnerships, policy development and cooperation.

Key Programme priorities in education, training, youth and sport for 2021-2027 are the following: **quality in education and training, inclusion and gender equality, green and digital transition, teachers and trainers, higher education, geopolitical dimension**. It also continues promoting **excellence in teaching and research** in the field of **European Union studies** worldwide under **Jean Monnet Action**.

The new Programme in 2021-2027 within **international dimension opportunities** have wider focus on the field of **education** with open opportunities for the **educational institutions**, supporting priorities and activities of the **European Education Area, Digital Education Action Plan** and the **European Skills Agenda** and other EU Strategies. All details are described in the Erasmus+ **Programme Guide**. New calls are to be open at end October/beg. November.

The Programme is more **green, digital and socially inclusive** for people of all ages and backgrounds and promotes young people's participation in democratic life. It opens opportunities to different **types of organisations*****. Individuals are encouraged to apply to the projects opportunities provided by organisations selected for funding. More information about the funded projects are at: EU Projects **Results Platform**; Ukraine's **projects database**.
