Promoting internationalization of research through establishment of Cycle 3 QA System in line with the European Agenda (C3QA)

Objectives:

- To build on the capacity of the system (HEI internal and external stakeholders) to effectively and efficiently operationalize the internal and external quality assurance systems of Cycle 3 programs;

- To develop National policy frameworks for QA of Cycle 3 programs in line with the international development in research and European Agenda;

- To establish Internal Quality Assurance (IQA) mechanisms and tools within HEIs assuring quality of Cycle 3 programs (leading to a PhD degree);

- To establish an External Quality Assurance (EQA) system to validate and promote quality of Cycle 3 programs;

- To promote internationalization of the Cycle 3 programs with joint efforts of the key stakeholders.
