<http://bukeana.info/about-project>

- Was created an International Association of Universities as part of realization of the project EANET (<http://www.ase.md/>)

1.7. University Governance in context of Improving Student Services

- Entrepreneur Alumni Networks (EANET) for students, scientists and alumni incl. fundraising structures
- Strategic framework for Ukraine which will ensure the spread of project' ideas – Modernized recruitment process, Improved placement services, New management structure – Student Support Service Centre, Trained students in transferable competencies, Alumni Societies as a source of funding – on a national level and legal basis
- Regular networking events and offering an EANET Prize to especially active members

- Association organizes annual scholarship competition for the best University students on the birthday of “KROK” University. Alumni and partners of Association do not only allocate funds for scholarships, but also form a considerable prize fund for the participants of the competition - in tangible and intangible form.
- Alumni consistently offer jobs and help to organize internships and practices for students. Alumni Association works closely with the Career Development Center, alumni are involved as experts to discuss the content, update training programs and conduct workshops on professional and personal development for university students, as well as invite students for business trips to their companies.
- The new tradition - the annual alumni meeting «KROK alumniFEST», which is a platform for networking - professional and personal communication and establishing new links between alumni of different years, students and staff of the University that allows alumni to present their products and services of their companies is created.
- Average number of networking and knowledge transfer activities per month is about 10.

- Organization the of master class on 22.11.2016 "practice of free enterprise" by Kazakh businessman, entrepreneur, millionaire - Constantine Lippert; Audience - 300 senior students of all faculties and specialties of KNADU.
- Kharkiv IT Cluster launches Kharkiv IT Unicorns project to enhance start-up movement among the students of Kharkiv City

- Kharkiv National University of Radio Electronics and V.N Karazin Kharkiv National University From October 2016 to May 2017 all the students who are interested will participate in their Start-up development: from idea generation to investors pitch. The first event – IDEA GEN – will take place on October 25. The next stage – IDEA RAMA – will be held on November 3. Within the framework of this event the most successful ideas for future projects will be chosen at each university. November 10 – IDEA BATTLE – battle of students' ideas. There will be also held a small workshop on teamwork. December 1 – TR GR – workshop on group work techniques.

- Under the "Job Fair" in Chernivtsi University was attracted over 1000 students and employed over 100.
- Business incubator, where ideas of student's scientific societies are accumulated, were created.
- Advisory Centre on formation of startups (creating a business plan) was created.

International Contacts

- The issues of attracting students to participate in the contest of IT-projects with Tutunaru Sergii (director of IT-incubator, ASEM, Moldova) was discussed and Sergii was offered to be the lecturer of one of IT online courses at "KROK" University.
- Partnership at the ALUMNI-marathon, which will be held on November 19 at "KROK" University was discussed with representatives of the Georgian start-up in Ukraine giffer.com.ua. It was agreed that Georgian partners will become one of the sponsors of Marathon – they will provide automatic gif, while "KROK" UAA will ensure promotion of their brand among participants and in social networks.
- A member of "KROK" UAA Ruslan Safarov, who is currently in Amsterdam, asked the Association to pick up the student-marketer with knowledge of English for marketing research at the European markets. During the summer months, Alexander Prima performed the tasks under the supervision and support of Ruslan, and in September he became a permanent employee of his company. Ruslan also had a business meeting with Michael Tuguntke, project manager of EANET.
- Members of the Association Soloid Anna (participant of IHE in Moldova) and Irina Prokofieva conducted online and offline international ProForum conference, with the speakers alumni-entrepreneurs of Business League. The Forum involved participants from Moldova, Belarus, Russia and Georgia.
- Member of Business League of "KROK" UAA Olena Yaremchuk the third year in a row is conducting the International Internet Festival "Independent Star", which starts in Catalonia (Spain) and ends in Kiev (Ukraine). "KROK" UAA appears as a partner of the festival, Business School of "KROK" University has provided prizes to the winners of the festival.

Forum of alumni entrepreneurs: (23.06.2016) 60 attendants, including, representatives of Business school of V. N. Karazin Kharkiv National University - Rodchenko V. B., of University KROK, Kiev - Zarenova Svetlana, of Kharkiv National University of Radioelectronics - Kuzemyn A. Ya., with the online greeting: project Director Michael Tuhunke, of partners from Georgia - Nino Hazaradze, of Moldova - Valentyna Prytkan. Alumni entrepreneurs Council was created on Forum and it was decided about the convocation of the Forum annually in June.

International contacts, links, partners, emerged as a result of the project EANET.
