Objectives – Goals – WPs

Pilot Courses

Results:

1. Creating or improvement of LLL centers at the HEIs.
2. ECTS guide developed for LLL programs.
3. The strategies for the actual implementation of the programs at HEIs, including mentoring of actual LLL courses for further learning and development of framework.
4. The system LLL learning support.
5. LLL courses piloted.
6. LLL-program promotion strategies (to the relevant customers such as companies, professional associations, journals and governmental institutions).
7. Incorporating LLL in the structure of higher education systems and cross country networks.
8. Dissemination of project information.
9. Quality Assurance and Exploitation after the project.

Impacts

European Commission
TEMPUS

- 1) Increasing people employability in AGU countries due to decreasing of a gap between labor market needs and skills of labor force.
- 2) Increased visibility of the each consortium partner.
- 3) Impact in the National level including LLL in Ukrainian law <http://old.mon.gov.ua/ua/messages/34026-zaproshuemo-oznayomitisya-z-doopratsovanim-proektom-zakonu-ukrayini-pro-pislyadiplomnu-osvitu>
- 4) LLL center.
- 5) Pilot courses.
- 6) Increased awareness among Universities and companies with the project activities and outcomes.
- 7) Great spinoff effects.

- Thank you for viewing!
