ICM Challenges and Solutions

Internal Challenges

- Courses Recognition → Increase in the Number of Elective Courses at IFNUL;
- Courses in English → Encouragement for development of courses and programs in English;
- Foreign Students Integration → Establishment of Buddy System, engagement of Erasmus+ alumni;
- Low participation on the Faculties of Natural Sciences → Information work.

Cooperation Challenges

- Communication with Partners;
- Study Plans in English;
- Request for Letter of Support for Staff and PhD. Students;
- Request for Transcript of Records as soon as possible;
- Demand > Number of Available Scholarships;
- Allocation of Erasmus+ Institutional Support Funds;

IFNUL Achievements with ICM

- Expanding the Geography of Active Agreements;
- Expansion of cooperation within one partnership agreement – from one field to several;
- Adoption of a number of internal documents and regulations based on consolidation of experiences from our partners;
- Increasing quality of Students and Staff Applications;
- Clearly structured selection procedure of the candidates, its transparency;
- Establishment of the Faculty Coordinators of Academic Mobility;
- Transfer of responsibilities for academic component to the faculties;
- Promotion of Erasmus+ = Increasing of interested in participation;
- Positive feedback from students who become Ambassadors of Erasmus+ and Host Universities;
- Implementation of new experiences by staff into educational and administrative work process;

While working with the Ukrainian Universities it is important to remember

- Differences in duration of semesters and exam periods;
- Compulsory Courses and recognition of study results;
- High Demand (Call for applications for 1 Partner University = approx. 7-12 applications for 1 available place)

Thank you for attention!
