Information Session for KA1 mobility for 2019/2020

Prof. Galyna Tabunshchuk
Zaporizhzhia National Technical University
Ukraine
5 March 2019

Zaporizhzhia

Europe

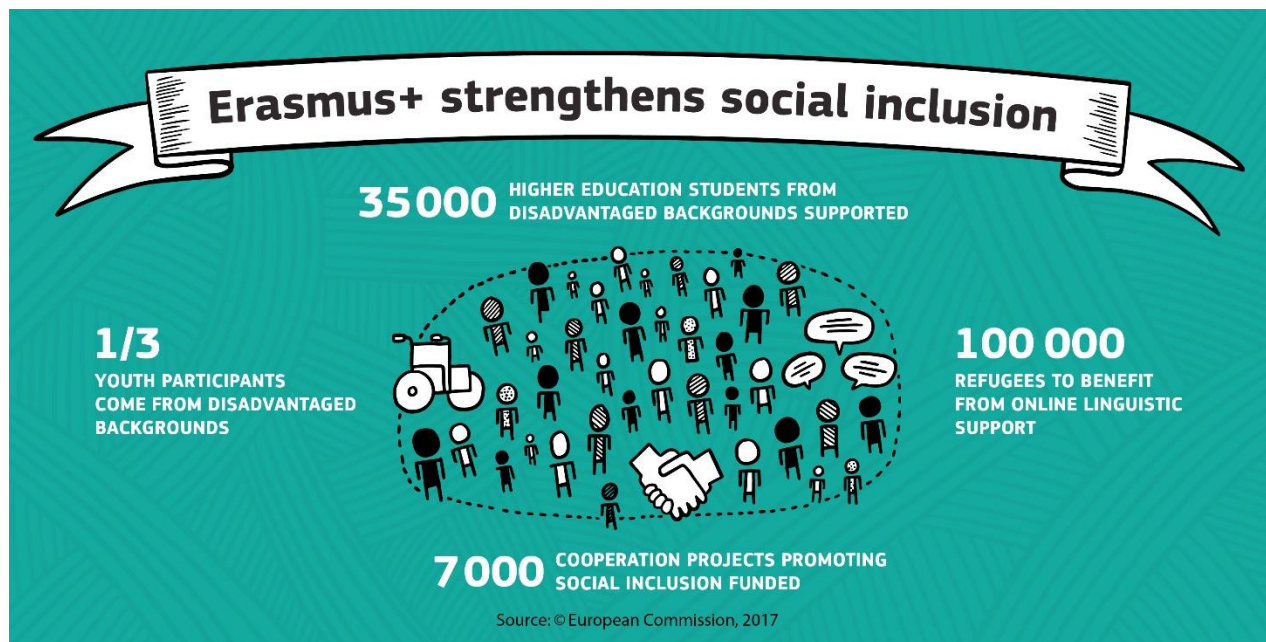

Funded by the
Erasmus+ Programme
of the European Union

- European strategy:
 - Erasmus program started in 1987.
 - In 2014 Opening to the whole world (KA107)
 - 20% mobile students by 2020, counted per study cycle
 - E+ 14 Geuro (2014-2020), next (2020-2027) 32 Geuro

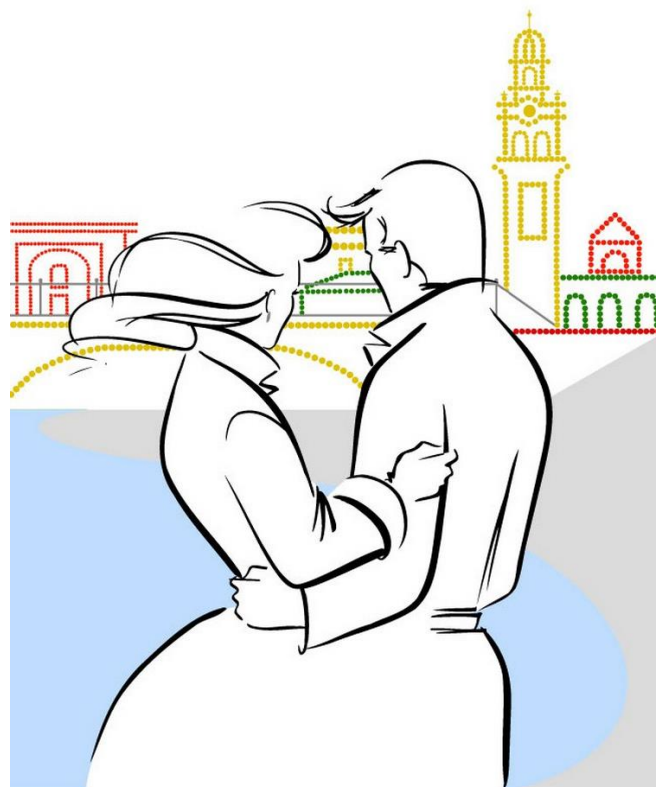

Erasmus+
Changing lives. Opening minds.

Why not

Funded by the
Erasmus+ Programme
of the European Union

Funded by the
Erasmus+ Programme
of the European Union

Alice Through the Looking
Glass, 2016

Міжнародна кредитна мобільність

Funded by the
Erasmus+ Programme
of the European Union

Короткострокові програми обміну:

- на навчання (3-12 міс.) - study
- та на практику (2-12 міс.) - internship
- Хто?
 - українські (молодші) бакалаври
 - магістри
 - аспіранти
 - докторанти

Кошти????

Funded by the
Erasmus+ Programme
of the European Union

- **Грант** (на покриття витрат)
 - Транспортування 275 – 500 євро в залежності від відстанні
 - Проживання, харчування... – 850 євро/місяць
- **Кто платить ???**
 - Університет партнер

Скільки потрібно коштів до мобільності

Funded by the
Erasmus+ Programme
of the European Union

- Витрати на страхування
- Витрати на медичну довідку (Бельгія)
- Витрати на довідку про несудимість(Бельгія)
- Попереднє бронювання житла (Німеччина, Австрія)

Основний позитивний сценарій

Funded by the
Erasmus+ Programme
of the European Union

- Крок 1. Електронна реєстрація до 1 квітня
<https://goo.gl/forms/3a3efvPa8KyBe9OT2>
- Крок 2. Співбесіда з Табунщик Г.В до 15 квітня.
- Крок 3. Співбесіда з представником партнерського університету до 1 травня.
- Крок 4. Заповнення документів – договору про навчання, бронювання житла, реєстрація в європейському університеті, отримання запрошення
- Крок 5. Отримання візи
- Крок 6. Приказ на навчання
- Крок 7. Повернення з позитивними результатами навчання.
Перезарахування відповідно до успішності у європейському університеті.

Мотиваційний лист (Statement of purpose)

Funded by the
Erasmus+ Programme
of the European Union

- Мова - англійська
- Відповідає на питання
 - Кто?
 - Де навчаєтесь?
 - Чому бажаєте прийняти участь у мобільності?
 - Чому обрали саме цей університет?
 - Чому потрібно обрати Вас серед інших кандидатів?
- Контактна інформація
 - ПІП
 - e-mail, skype, tel.

Де знайти приклади мотиваційного листа?

Funded by the
Erasmus+ Programme
of the European Union

- Statement of Purpose

Why mobility

- Survey EU
- Meet new people, new culture, other educational systems

EMPLOYMENT AND CAREER DEVELOPMENT

Erasmus Impact Study reveals

27% of former Erasmus students met their life partner during stay abroad.

As a result, 1 million babies may have been born since 1987.

Fachhochschule Dortmund

University of Applied Sciences and Arts

we
focus
on
students

Funded by the
Erasmus+ Programme
of the European Union

General Information about the University

Where is Dortmund University of Applied Sciences and Arts?

Dortmund is the heart of the German state „North-Rhine-Westfalia (NRW)“, the biggest state of Germany:

- ~ 18 Mio citizens
- ~ 630 Bn EUR GDP

Dortmund:
~ 580,000 citizens
Nr. 8 in Germany

More than 13,500 students
~ 1.500 international students
~ 1,000 staff
~ 400 teaching staff and lecturers

8 Faculties
~ 50 Bachelor/Master Programmes
English Language Programmes:

- International Business (Bachelor)
- European Master in Project Management (Master)
- Embedded Systems (Master)

What is a „Fachhochschule“?

- "Fachhochschulen" are **part of the Higher Education System in Germany** as well as in its neighboring countries Austria and Switzerland
- In Germany, it's an **academic institution**, offering **academic bachelor's and master's degrees**
- University of Applied Sciences and Arts: FH Dortmund is full member of **European University Association (EUA)**
- All degrees are accredited according to **European Qualification Framework (EQF)** – high quality university education
- FH Dortmund puts the focus on the **transfer of scientific findings into application** – via R&D projects and (priority) via student's education
- Education is more practical than theoretical – **close to society and industry**
- R&D is mainly on higher technology readiness levels (TRL 6-8) – **close to products and solutions**
- Strong cooperation with society and industry in both science and education
- Option for PhD via joint Graduate Institute NRW (with other FHs)

Semester	Module Name	hours	ECTS
1	Embedded Software Engineering	4	6

Distance	Unit costs for Ukraine
between 500 and 1999 km	275 €

Eligibility Requirements for Students

Funded by the
Erasmus+ Programme
of the European Union

- Formal requirements (meeting the deadline, completeness of documents)
- Good knowledge of the English language¹ (TOEFL-iBT 90, IELTS 6.5, or any other official certificate with minimum equivalent to CEFR B2²)
- Valid enrolment at home institution as a full-time student for the duration of the mobility (ask for certificate of enrolment in English)
- Max. of 12 months ERASMUS not reached, Min. of 90 days stay
- Mobility is implemented as one unit (no interruptions)
- Individual Achievements (see next slide)

**Fachhochschule
Dortmund**
University of Applied Sciences and Arts

¹Evidence of sufficient English skills provided by a TOEFL-iBT test amounting to a minimum of 90 points. The evidence may also be provided by other test methods equivalent to the TOEFL-iBT test in accordance with the European Framework of Reference (e.g. IELTS with at least 6.5 points). In exceptional cases the evidence can be submitted by means of an equivalent certificate or test results demonstrating the relevant minimum requirements (equivalent to B2 [upper intermediate] of the Common European Framework of Reference for Languages (CEFR)). An Expert Committee decides whether equivalence is demonstrated.

²The Common European Framework of Reference for Languages: Learning, Teaching, Assessment, abbreviated in English as CEFR, is a guideline used to describe achievements of learners of foreign languages across Europe
B2/Vantage or upper intermediate:

- Can understand the main ideas of complex text on both concrete and abstract topics, including technical discussions in their field of specialization.
- Can interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party.
- Can produce clear, detailed text on a wide range of subjects and explain a viewpoint on a topical issue giving the advantages and disadvantages of various options.

Selection Criteria

Individual Achievements

Funded by the
Erasmus+ Programme
of the European Union

**Fachhochschule
Dortmund**

University of Applied Sciences and Arts

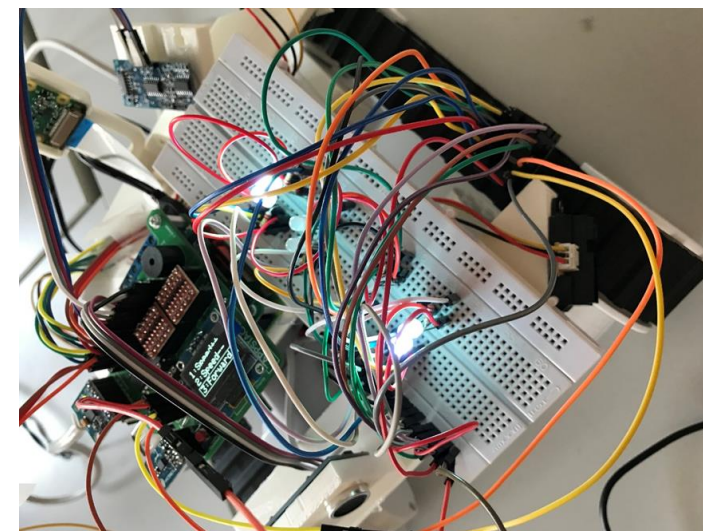

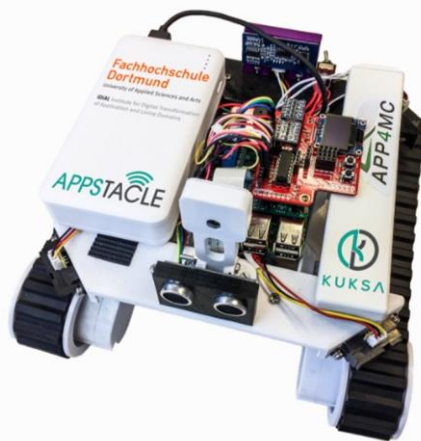

The aim is to support cosmopolitan students who are interested in other cultures and who will be ambassadors of their home country within the ERASMUS-program.

- Matching of Master program at home institution (to EuroMPM or Master Embedded Systems) and preliminary course achievements
- *If performance is equal, deprived students should have priority*
- Personal interview (e.g. at home institution or skype call with FH Dortmund)
- Language proficiency of the national language of the guest county (basic knowledge)
- Internships
- CV

ERASMUS+ KA1. FH Dortmund

- International Research Conference
- Winter and Summer Block Week
- Working on Double Degree Program in Digitalisation
- 2 students projects
in project management
in connected cars

Issues important by Incoming Student mobilities to CUAS:

- a) The students will be nominated for the exchange by their home institution and finally selected by CUAS representative. In some cases interviews with students at home institution with CUAS representatives will take place.
- b) The nomination (official e-mail from home institution that includes name, surname, gender e-mail address of the student, study degree program, study level) for the spring semester has to take place by the end of November the previous year and for the fall semester by the end of May.
- c) After nomination the student is contacted by CUAS International Relations Office (IRO) with the information about the application procedure and organization of his/her stay in Carinthia. IRO will also send the student a draft of the Grant Agreement.
- d) The student has to follow the information on <http://www.fh-kaernten.at/ueber-die-fh/organisation/servicebereiche/international-relations-office/incoming-exchange-students/> and apply for the exchange semester at CUAS by uploading following documents into an application online platform:
 - a. Application Form
 - b. Learning Agreement – including the list of courses the student would like to follow at CUAS.
 - c. Copy of passport
 - d. Transcript of Records from the home institution
 - e. School Leaving Certificate or Bachelor certificate.
- e) The student has to return the Grant Agreement with signatures per e-mail to Ms. Monika Auinger m.auinger@fh-kaernten.at

- f) A Letter of Acceptance as Invitation will be issued by IRO and forwarded to the student. Those applying for the visa can use it by the visa application.
 - g) The spring semester starts normally on 1 March and the fall semester on 1 October. 1-2 days before the official start (a) Welcome Day(s) for exchange students is organized by CUAS International Relations Office. It is important that every student joins this event. The dates of the Welcome Days will be included in the Letter of Acceptance.
 - h) Upon arrival the student has to enroll at CUAS by paying the obligatory Austrian Student Union fee of EUR 19.70 [as of 2018/19]. He/She also has to report to CUAS IRO in order to sign the Grant Agreement in original.
 - i) Within the first 3 days of his/her stay the student has to register at Meldeamt (registration office) and open a bank account.
 - j) Within the first month of the stay, the students can make changes to the Learning Agreement.
 - k) The students gets its scholarship in rates every month. The last rate is paid after the student has filled out the EU survey. The invitation to the EU survey will be sent per e-mail to the students e-mail address.
 - l) At the end of the stay the student receives a Confirmation of Stay and a Transcript of Records.
 - m) Recognition of the courses completed at CUAS has to take place at home institution on the basis of the Transcript of Records issued by CUAS. Confirmation of the recognition has to be sent to CUAS International Relations Office (Ms. Aleksandra Jama a.jama@fh-aernten.at)
- CUAS wishes all the guest students and staff a good stay in Carinthia and is looking forward to the exchange!

Constantine the Philosopher University in Nitra

Constantine the Philosopher University in Nitra (Univerzita Konštantína Filozofa v Nitre, abbrev. UKF in Slovak) has been formed as a modern European general university where dominant role is played by science, spiritual quality, high professionalism, pedagogical mastery, open and vivid communication both within local environment and within the world.

It offers a variety of study programmes at bachelor, master and doctoral level, providing strong flexibility, innovation and diversity. In addition to its strong tradition in training of teachers for primary and secondary schools, UKF also offers study
