Recognition of Academic (Credit) Mobility and Qualifications

Recognition of higher education qualifications within the Higher Education system is carried out in accordance with the Law on Higher Education - by the decision of the Academic Council of the HEI.

Within Erasmus+ projects, Inter-Institutional Agreement is a MUST to organise official mobility and recognition of learning outcomes and mobility periods.

Recommendation: to have internal mobility regulations to avoid internal risks regarding the recognition of learning outcomes.

Higher Education reforming in Ukraine

Initiatives of the Ministry of Education and Science of Ukraine*

- Reformed content for the “regulated professions” – Medical, Maritime, etc.
- Expansion of dual (cooperative) study programmes – study + work for ECTS credits
- Particular emphasis on STEM and Computer Science – Master level
- Transformation of funding mechanism – introduction of the state grants for students
- Autonomy
 - Organisational autonomy* – preparation of an experiment to strengthen the role of the Supervisory Board (stakeholders) in economic activity and decision making on leadership assignment / election
 - Personnel autonomy* – assignment of academic titles (Professor, Assistant Professor) by HEIs
 - Financial autonomy* – restoration of the Formula for the distribution of state funding in HE
- Mergers of HEIs – modernisation and transformation of the HEIs network (217 public universities, MESU, 2023)

Priorities of VET reforms*

- The network of VET schools and professional pre-higher education institutions is effective and has modern infrastructure
- VET and professional pre-higher education ensure the acquisition of educational and professional competencies for personal development and successful careers
- VET schools and professional pre-higher education institutions are attractive and prestigious for learning and working
- Educational institutions effectively utilize their organizational, academic, and financial autonomy and receive results-oriented funding
- VET schools and professional pre-higher education institutions have established partnerships with businesses
