Digital ERASMUS+

Erasmus+ will support the development of digital skills, in line with the Digital Education Action Plan. It will provide high-quality digital training and exchanges, and it will encourage traineeships in the digital sector. New formats, such as blended intensive programmes, will allow short-term physical mobility abroad to be complemented with online learning and teamwork. The implementation will be further digitalised and simplified with the European Student Card.

EU Youth Strategy

The EU developed an EU Youth Strategy and wants young people to engage and become an active citizen involved in democracy and society. We want young people to tell us what is important to them by taking part in the EU Youth Dialogue.

6

Geopolitical dimension

- Team Europe approach
- Strengthen cooperation with strategic global partners
- Expand international dimension of Erasmus+

With the support of the
Erasmus+ Programme
of the European Union

EUROPEAN STRATEGY FOR UNIVERSITIES

SUPPORTING AND ENABLING
HIGHER EDUCATION INSTITUTIONS
ACROSS EUROPE

Four key objectives

1 Strengthen the European dimension in higher education and research

Bringing transnational cooperation to a higher level contributes to a culture of excellence and inclusion, a true European identity, and global competitiveness and attractiveness

2 Consolidate universities as lighthouses of our European way of life

Strengthen quality and relevance for future-proof skills

In a fast changing environment, universities need to strengthen their capacities to equip young people, lifelong learners and researchers with the right competences and skills

Foster diversity, inclusiveness and gender equality

More institutional changes are needed for universities to become places of truly equal opportunities

Promote and protect European democratic values

Universities need to be places of freedom: for speech, thought, learning, research

3 Empower universities as key actors of change in the twin green and digital transitions

Develop skills, competences and technological innovation for the green and digital transition

Universities are key actors for the green transition and for a more sustainable world. We need to make 'connected universities' a reality

4 Reinforce universities as drivers of Europe's global role and leadership

Universities are instrumental in building Europe's connections with the world

A European shared vision to support all types of higher education institutions to adapt to changing conditions across all their missions

Priority areas for transformation based on clear objectives

Concrete actions at EU level to empower and support the sector

Synergies with actions and national reforms
