Students' life & future are being killed by russia!!!

Unissued Diplomas

When your classroom turns into a battlefield, your major becomes brave

We created this exhibition to remind the world about the ongoing war and the price Ukrainians pay daily in their fight for freedom. "Unissued Diplomas" honours the memory of Ukrainian students who will not graduate because their lives were taken by the Russian invasion.

The "Unissued Diplomas" exhibition uncovers the stories of 36 Ukrainian students killed in the war. It is held at 70+ universities worldwide since the 24th of February 2023, which marks the anniversary of the day all Ukrainians woke up to explosions.

These stories have deeply moved professors, students, parliamentarians, and various European countries. In addition to Ukrainian and English, the stories of the killed students were also conveyed in French, Japanese, Danish, and Finnish.

While we would like to bring this project to a close, Russia continues to take the lives of our peers.

If you are interested in hosting the Unissued Diplomas exhibition at your university, conference, or any other event, please leave your contact information via the QR code, and our team will reach out to you.

The project is organized by Ukrainian students worldwide and the Ukrainian Canadian Students' Union.
