The screenshot displays the Erasmus+ submission interface. A central dialog box titled "Terms and Conditions for the Submission of Applications" is open, containing the following text:

Please read and accept this disclaimer to proceed with the creation of your draft proposal:

**Proposal data**

1. **Confidentiality:** Applications (and any additional information provided for the award) will be considered confidential and treated according to the same principles as those set out in the grant agreement. We may in particular have to share applications with other EU institutions and bodies in order to perform the pre-award checks required by the EU Financial Regulation. Please also be aware that we may have to publish the information contained in the Abstract/Short Summary and Keywords in Part A. Please avoid adding any confidential information in that section.

2. **Access to pre-registration data:** Please be aware that certain information from the draft proposals will be accessed by us before the call deadline, in order to plan the evaluation. This concerns call ID, topic ID, type of action ID, participant identification code (PIC), project acronym, abstract, panel and keywords.

I agree that the pre-registration data becomes available to the European Commission services prior to call closure.

I wish that the pre-registration data does not become available to the European Commission services prior to call closure. (Applicants are advised to use this option only in well justified cases, as it hinders the planning of the evaluation process and the timely processing of proposals).

**Technical requirements**

3. **Part B file format:** Part B of the Application Form (Technical Description) must be uploaded as PDF (equivalent to Adobe Acrobat v5 or higher, with embedded fonts).

4. **Part B page limits:** Applications are subject to the page limits set out in the call conditions. Excess pages will be made invisible and not available to the evaluators. Mandatory annexes and supporting documents do not count towards the page limit.

5. **Time constraints:** Preparation and uploading of the files in the Submission System may take some time. Don't wait until the end. Problems due to last minute submissions (e.g. congestion, etc) will be entirely at your risk.

**Submission**

6. Applications must be submitted before the call deadline. You can withdraw your application or make changes to it, provided this is done before the call deadline. Submission of a new application overwrites the previous version.

**Personal Data**

7. Personal data linked to the application, evaluation or award of grants, prizes and contracts will be processed in accordance with the [Funding & Tenders Portal Terms and Conditions](#) and [Privacy Statement](#)

## Edit Part C/ Редагування частини С

# Складові частини заявки

- Частина А (потрібно натиснути на синю кнопку Edit forms) генерується в системі після заповнення інформації у вікнах/скрінах системи.
- Частина В є шаблоном для заповнення (документ у Word-форматі); має обмеження в 40 сторінок для модулів та кафедр Жан Моне, в 70 сторінок для інших типів проєктів, якщо не зазначена інша інформація в конкурсі та Керівництві до Програми. Сторінки, які виходять за межі зазначеної кількості, не будуть видимі для експертів з оцінювання.
- Частина В має додатки, сторінки яких не враховуються в зазначеному ліміті, але обмежуються кількістю мегабайт інформації, що зазначено в системі при роботі з заявкою та завантаженні додатків.

# Складові частини заявки

- Усі шаблони та додатки (частина В, CVs, список попередніх проєктів університету, якщо є такі проєкти) заявки (завантажуються у зазначеному в опції форматі – як правило, pdf), калькулятор бюджету (завантажується у форматі Excel), прикріплюються безпосередньо в системі в основному вікні.
- При заповненні частини В є розділи, які не стосуються модулів та кафедр Жан Моне, про що зазначено в цих розділах, напр.: Cost effectiveness and financial management (n/a for JMO Chairs and JMO Modules).
- Всі інші розділи заповнюєте та вносите інформацію, яку вважаєте необхідною для оцінки заявки. Усі розділи, що не заповнюються, обов'язково залишаються в документі (з шаблону нічого не видаляється).
