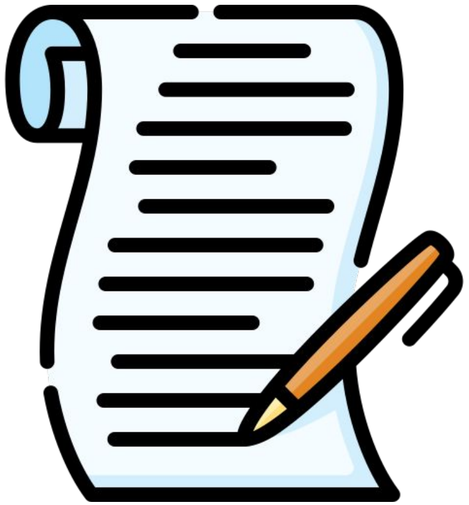
International technical assistance

MINISTRY OF EDUCATION AND SCIENCE OF UKRAINE

Procedure for Attracting, Use, and Monitoring of International Technical Assistance



Approved by Resolution of the Cabinet of Ministers of Ukraine No. 153 dated February 15, 2002

https://zakon.rada.gov.ua/laws/show/153-2002-%D0%BF

- **International technical assistance** is financial and other resources and services that, in accordance with international agreements of Ukraine, are provided by development partners on a free and non-refundable basis to support Ukraine;

- **Project beneficiary** is a **central executive authority** or another institution responsible for development and/or implementation of state policy in the sector or region where the project is planned, and is **interested in the project outcomes**.

International technical assistance

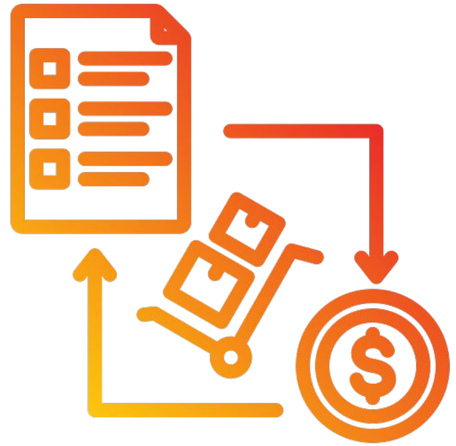
MINISTRY OF EDUCATION AND SCIENCE OF UKRAINE

State Registration of Projects (Programs)

- **ITA state registration** is mandatory (**item 11 of the Procedure**).
- **Registration is performed by the Secretariat of the Cabinet of Ministers of Ukraine - SCMU (item 13 of the Procedure).**
- **Project implementers (recipients)** submit request to the public authority **(MoES Ukraine)** for confirmation to become a beneficiary of the project.
- The **beneficiary (MoES Ukraine)** submits a **letter of support** to the SCMU for project registration.

International technical assistance

MINISTRY OF EDUCATION AND SCIENCE OF UKRAINE



Procurement Planning

- The **procurement plan** for goods, works, and services financed by international technical assistance must be **approved if the beneficiary also acts as the recipient** (**item 9 of the Procedure**).

Key ITA Project Registration Requirements

(to be provided in the letter of request)

- Full project name in UA and EN, including the grantholder's project number (if applicable).
- Full name of the Development partner.
- Details on executing organization and recipient institution (contact person, position, phone, email).
- Project Implementation period (start and end dates of the project).
- Total project budget and grant amount allocated specifically for Ukraine.
- Project goals, objectives, and expected results.
- Compliance of the project with national strategic documents (e.g., Cabinet of Ministers Program, EU-UA Association Agreement, regional or sectoral strategies).

International technical assistance

MINISTRY OF EDUCATION AND SCIENCE OF UKRAINE

ITA Monitoring - procedure to review the state of project (program) implementation

Types of ITA Monitoring

- **Ongoing (semi-annual and annual reports)**
- **Final monitoring**

Reporting Deadlines

- **By July 10** for **semi-annual monitoring** (covering **January 1 – June 30** period).
- **By January 10** of the following year for **annual monitoring** (covering **January 1 – December 31** period).

Failure to submit monitoring reports is considered as **unsatisfactory project implementation** (**item 27 of the Procedure**).
