

TAM seminar “**Internationalisation of higher education as a driver for growth: opportunities to strengthen research-based education**”

Key references on research-based learning:

1. The Maastricht University Handbook for Problem-based Learning and Research Skills (2017)
2. Re-inventing research-based teaching and learning (Dekker & Wolff, 2016)
3. Linking research and teaching to benefit student learning (Healey, 2007)
4. Developing research-based curricula in college-based higher education (Healey et al. 2014)
5. The transformative nature of research-based education: a thematic overview of the literature (Rijst et al. 2017)
6. University College London Connected Curriculum (2017)
7. IT University of Copenhagen Research-based Learning [approach](#)

Interesting references on internationalisation broadly:

1. The challenges of establishing world class universities (Salmi, 2009)
2. Reforming academic assessment reform: “room for everyone’s talent” (Universities of the Netherlands, 2019)
3. The four-component instructional design model (van Merriënboer, 1997)

Overview of upcoming funding deadlines for Ukrainian universities:

Funding line:	Focus:	Deadline:
Erasmus+ (KA1,2,3)	Student & staff mobility (incl. doctoral), cooperation partnerships, capacity building	Early 2026
Erasmus Mundus Action	Joint master’s study programmes	Early 2026
MSCA and Citizens	Bringing research and researchers closer to the public	22.10.2025
MSCA Staff Exchange	Short-term international and inter-sectoral exchanges of staff members involved in research and innovation activities	08.10.2025
Horizon Europe European Innovation Ecosystems	Building interconnected, inclusive innovation ecosystems across Europe and pulling in new, less well-represented actors and territories	15.10.2025
EIC Accelerator grants	Support to single start-ups and SME’s and individuals to develop and scaleup innovations	Early 2026
EIC4Ukraine	Accelerate the development of transformative technologies and integrate Ukrainian innovators more deeply into European markets	25.11.2025
COST Action	Creation of networks for collaboration among scientists across Europe	21.10.2025

Relevant seminars to consider:

1. [Enhanced collaboration with the Ukrainian higher education sector through MSCA4Ukraine fellowships](#) – 13 October 2025
