About the EU's Programme Erasmus+: 2021-2027

Erasmus+ is the European Union Programme that aims to support the educational, professional and personal development of people in education (school/VET/higher/adult), training, youth and sport, in Europe and beyond through lifelong learning. It contributes to sustainable growth, quality jobs and social cohesion, to driving innovation, and to strengthening European identity and active citizenship. As a key instrument for building a European Education Area, it supports the implementation of the European strategic cooperation in the field of education and training. In addition, it is key in advancing youth policy cooperation under the European Union Youth Strategy and developing the European dimension in sport.

The Programme priorities cover **inclusion and diversity, digital transition, green transition, participation in democratic life, common values and civic engagement**. The Programme provides opportunities for **mobility, scholarships, projects and partnerships for cooperation** between the EU, other countries and Ukraine via annual calls for proposals in formal, non-formal and informal education. It builds professional networks and platforms. The Programme is inclusive and open for individuals of all ages and backgrounds as well as different types of organisations, depending on the calls requirements and projects objectives.

In 2021-2027 Erasmus+ provides opportunities to different types of organisations from Ukraine, within **40 calls for proposals, as a Partner Country not associated to the Programme:**

- *International mobility for higher education institutions staff and students (physical/blended – KA131, KA171)*
- *International mobility for VET experts (physical/blended)*

Access to platforms and resources, experts, networks and support offices: Erasmus+, European School Education Platform, eTwinning, European Youth Platform, Europass, Euroguidance, Eurydice, Youthpass, Eurodesk, EQF, EPALE, Salto Education and Training, Salto-Youth, LifeLongLearning, SELFIE, and others etc.

The European Commission co-funds projects via grants to **organisations** from EUR **35,000** to EUR **4M** depending on the types of the calls and projects duration (**1-4 years**).

Individuals can apply to mobility projects and receive grants for traineeship or credit mobility (EUR **900 per month**), degree mobility, (EUR **1000** per month plus travel and other expenses), teaching, training and job shadowing, participation in the international youth events and activities etc. International students. staff and young people from abroad could benefit too and come to Ukraine for exchange mobility etc.

The projects budgets covers human resources development, teaching and learning excellence, staff costs, mobilities for exchange, study missions, training of trainers, innovative curricular, training courses and resources, summer/winter camps, methodologies, technologies and infrastructure development (equipment), translation, publications, scholarships and individual grants, all depends on the call.

Depending on action, the partnerships may include a **single organisation from Ukraine or more**, **2 or more organisations from EU Member States and other participating countries over the world**. The cooperation is based on the learning the EU expertise and exchanging of best practices between different countries in the Programme fields: education, training, youth and sport.

Supporting Ukrainians and organisations under Erasmus+, 2022 till now by the European Commission:

1. **International Mobility projects under KA1**:

Over **51 680 Ukrainian nationals** participated in Erasmus+ International Mobility projects since 2022, whether coming from Ukraine or from any Programme country, with a total granted amount of **EUR 129 million (including EUR 32 million for KA171 mobilities).** Out of these 51 680 mobilities, **34 489** originated from Ukraine since 2022, for a total grant amount of **EUR 98 million**.

2. **Cooperation projects KA2:**

Since 2023, Erasmus+ includes a priority to projects aiming at addressing the consequences of Russia's war of aggression against Ukraine in the education and training , youth and sport sectors.

Under indirect management by the National Erasmus+ National Agencies (KA220 calls), grants supporting this priority have amounted to EUR **48 million since 2023.**

Under direct management (by EACEA, Brussels), since 2022, Ukrainian organisations contracted grants amounting to **EUR 22.3 million**, under Capacity building for higher education, VET, youth and sport.

3. **KA3 and Jean Monnet actions**: Ukrainian organisations contracted grants amounting to **EUR 9.3 million** since 2022 for European Studies.

In 2023, EU Erasmus + Programme funded printing of **500,000** schoolbooks on Ukrainian language. In 2024, it is **1** million textbooks printed by the EU on informatics and arts for 5th and 6th grade students. So far, EUR **3** million has been earmarked by the Erasmus+ Programme for this action, and talks are already ongoing with the Ukrainian authorities on a third batch of copies for the next school year.

In total, Erasmus+ support for Ukrainians and Ukrainian organisations since 2022 has amounted to over EUR 208 million.

Due to sanctions and termination of Russia and Belarus participation in Erasmus+, their budget was relocated, providing more Ukrainian projects funding.

Ukraine under Erasmus+ 2021-2026
